

This is the Quality Policy Statement of More Than Safety Ltd.

Our statement of general policy is:

- To commit to comply with all quality requirements we and our clients subscribe to;
- To provide an outstanding service and standard of product at all times;
- To encourage participation and promotion of quality responsibilities amongst our employees;
- To ensure all employees are trained and equipped to achieve the quality standards required;
- To commit to continual improvement of the quality management system;
- To review and revise this policy as necessary at regular intervals.

More Than Safety undertakes to supply only safety equipment and/or related services that fully comply with the standards and regulations and claims made relating to those products and/or related services. Where appropriate, More Than Safety will maintain up to date technical files and associated documentation to ensure that regulatory compliance information can be supplied upon request.

Where products are sourced from external organisations which hold technical files relating to the products being offered, we will request confirmation that these files are current, complete, contain appropriate conformity assessment information and, where relevant, regulatory compliance certificates and will take all necessary steps to confirm the validity of the compliance documentation held by that external supplier in respect of the products being sourced.

Where services are provided related to safety equipment sourced from external organisations, More Than Safety will maintain approval from the manufacturer that the services provided are assessed and approved by the external organisation.

Signed

Rich Watts
