**YOUR STEP BY STEP GUIDE**

- Complete all of your personal details in the top section of the form.
- Visit your nearest Boots Opticians or independent optician (to be arranged through MTS if no Boots option exists locally) taking the prescription form with you.
- Boots Opticians have the Bollé Safety frames available for you to view and select from the 17 frame options available. If not a Boots store, MTS can arrange for sample frames to be made available at your choice of optician.
- The Optician will complete the technical section of the form.
- The completed form will then be sent to Bollé Safety by your optician for processing.
- When your safety glasses are manufactured they will be sent directly back to your optician.
- Your optician will then contact you to arrange an appointment and final fitting
